Mission statements

The Mission of CEA is to continuously research economic development and public policy in the Republic of Macedonia and to offer recommendations, suggestions and measures to the government and non-governmental institutions.

CEA members share a common vision of the Republic of Macedonia as a new emerging economy integrated with regional and world markets. They devote their time, efforts and knowledge to help make this vision become a reality.

Goals of CEA:

- ✓ To provide quality policy analyses;
- ✓ To support viable economic policy in Macedonia;
- ✓ To help foster an environment that brings about higher investment, accelerated development and growth of the Macedonian economy, and EU accession;
- ✓ To achieve financial sustainability;
- ✓ To encourage regional cooperation and collaboration in the Balkans;
- ✓ To strengthen civil society, social capital and trust.

7. Improving public financial management on local level;
8. Value of Money – VfM analyses for PPP;
9. Public sector comparator analyses for PPP;
10. Pre-feasibility and feasibility studies for PPP in LSG.

DECENTRALIZATION IS OUR GOAL

“ZELS have known some of the CEA members and have established cooperation related with their work activities with USAID projects closely connected with the LSG reform process in the Republic of Macedonia. ZELS also welcome the publication of the Bulletin “Decentralization-our goal” as it provides relevant to our field analyses and information from worldwide. ZELS therefore support the work of CEA in their dedication to become independent policy research organization, which will represent important values for local authorities in the Republic of Macedonia”
