Mission statements

The Mission of CEA is to continuously research economic development and public policy in the Republic of Macedonia and to offer recommendations, suggestions and measures to the government and non-governmental institutions.

CEA members share a common vision of the Republic of Macedonia as a new emerging economy integrated with regional and world markets. They devote their time, efforts and knowledge to help make this vision become a reality.

Goals of CEA:

- ✓ To provide quality policy analyses;
- ✓ To support viable economic policy in Macedonia;
- ✓ To help foster an environment that brings about higher investment, accelerated development and growth of the Macedonian economy, and EU accession;
- ✓ To achieve financial sustainability;
- ✓ To encourage regional cooperation and collaboration in the Balkans;
- ✓ To strengthen civil society, social capital and trust.

Product 5 – IPA fund assistance

Contents:

- ✓ **Product description**

Product

CEA is provide services to the direct fund seekers through assistance in the applications and the researches necessary for the applications such as complete business plans in accordance with the criteria and formats necessary. CEA has the skills and the potential to get acquainted with the necessary procedures and start the advisory services once the IPARD funds are available for distribution.

“The Ministry benefited the expertise of CEA in few projects. We recommend them both for legislation preparation and for analytical work.”

Minister of LSG
Zoran Konjanovski
